

## **MKSC COVID-19 Response Plan**

### **An individual becomes unwell with symptoms of COVID-19**

- If an individual becomes unwell with symptoms of COVID-19, or if someone is aware of an individual that becomes unwell with symptoms of COVID-19, that individual must immediately stop participation in club activities
- The individual should be isolated from all others in a well-ventilated area, or outside and provided with a non-medical face mask if one is available
- The individual shall be sent home and instructed to follow public health guidelines regarding self-isolation and testing
- The facility should be informed in order to determine if any areas need to be closed off and/or require additional cleaning/disinfecting
- A member of the COVID-19 Oversight Group should be informed of the situation and should contact the individual or their parent/guardian to determine if next steps are being taken regarding testing

### **An individual is tested for COVID-19**

- Any individual that is part of a club that has been tested for COVID-19, must not participate in club activities while awaiting results of the test. An exemption to this would be if the club member was tested as part of routine testing for their workplace or personal reasons (example: to qualify to visit loved ones in long-term care)
- The club will consult the Session Participation tracking sheets to inform other club members who might have been in close contact with the individual
- Any club members who were in close contact with the individual should not participate in club activities and should follow public health guidelines until the diagnosis of COVID-19 is ruled out by health professionals Covid Protocols

### **An individual tests positive for COVID-19**

- If an individual tests positive for COVID-19, they should inform a member of the club COVID19 Oversight Group
- The COVID-19 Oversight Group will work where requested with the facility and public health officials to assist in contact tracing
- The Session Participation tracking sheets may be used to assist public health officials in informing other club members who may have been in close contact with the individual
- Any club members who were in close contact with the individual should not participate in club activities for 14 days and should follow public health guidelines regarding self-isolation and testing

- It is recommended to also inform all club members of a positive COVID-19 result within the club setting
- The club should inform and work with the facility in the case of a positive COVID-19 result and determine if any additional cleaning/disinfecting should be performed as per the facility's guidelines
- The club will inform Skate Ontario of a positive COVID-19 diagnosis by emailing [clubsupportservices@skateontario.org](mailto:clubsupportservices@skateontario.org)

#### **Return to club/skating activities following illness**

- If no test was performed, or the COVID-19 test was negative, the individual may only return to club activities once they no longer have any symptoms of COVID-19

#### **Return to club/skating activities following COVID-19**

- Following a positive COVID-19 test, an individual must follow all public health guidelines regarding return to activities

#### **Modification/restriction/postponing or canceling of club activities**

- Based on the evolving COVID-19 pandemic, the club is prepared to follow public health, municipal/provincial government and sport recommendations regarding modifying/restricting/postponing or canceling activities
- Clubs should establish a program cancellation policy if one does not exist already
- Clubs/skating school members should be informed as soon as possible of any modifications/restrictions or cancellations
- Clubs/skating schools must keep any modifications and restrictions in place until advised that it is safe to resume activities by public health, government or sport officials

#### **Public Health Guidelines**

Club and skating school members should follow all public health guidelines regarding COVID-19. These may include:

- Any club members who themselves have travelled outside of Canada, or have someone in their household who has travelled outside Canada must self-isolate and not participate in club activities for 14 days
- Any individual who has been exposed to someone with a confirmed case of COVID-19 should self-isolate and is not permitted to participate in club activities for 14 days
- Any individual with symptoms of COVID-19 is not permitted to take part in club activities
- Any individual who has someone in their household showing symptoms of COVID-19, should not participate in club activities
