

[Program Assistants 2022-2023 Season](#)

The CanSkate Program is resuming again this season and we are accepting applications from all new and returning qualified skaters who are interested in volunteering! Please consider signing up as the CanSkate program could not run without your help.

This is an excellent opportunity to earn high school volunteer hours (starting from Grade 9), as well as earn registration credit for the following skating season.

The CanSkate Season will begin on Sept.11, 2022. **Please register to apply by Sept. 2, 2022.**

[2022-2023 Qualifications \(Age as of September 1, 2022\):](#)

- Intermediate/Senior skaters 11 years and older

-2nd year Junior skaters 12 years and older

All new PAs must complete 10 hours of on-ice training during CanSkate sessions before they can start earning credits. When you become a Program Assistant you are making a commitment to the MKSC CanSkate team. You are expected to attend your sessions and if unavailable it is your responsibility to find a replacement.

Thank you very much for applying to be a Program Assistant for the 2022-2023 season. Applications will be reviewed based on age, skating level, experience and availability. Successful candidates will be invited to the mandatory Program Assistant Training session and following the clinic, the 2022-2023 Program Assistants will be notified and given their schedules.
